

## **Learning Group - Affordable, quality distance education courses in business, writing and languages**

**Learning Group**

### Business Studies

In South Africa employers are always looking for well-qualified and experienced people to add value to their businesses. If you are already working for a business, the best way to get promoted and to get that increase in your salary; is to get a good qualification. If you don't have a job, or if you are looking for a better position, a good qualification on your CV will open doors for you.
